Historical Sketch of Cyprus Preceptory and Priory No. 33 on the Roll
of the Sovereign Great Priory
of Canada

IN order to properly give a brief historical sketch of an institution it is necessary that one should know something of the history of the country.

In 1670, King Charles II granted to Prince Rupert and others a charter under the style of "Gentlemen Adventurers of England trading into the Hudson's Bay." By this charter these adventurers were not only given the right to hunt and trade in furs, but also certain proprietary rights in the land drained by all streams entering into the Hudson's Bay.

These adventurers brought out settlers, many of whom were Masons in good standing, and some were Knight Templars in England and Scotland, so that probably the first Knight Templars in Canada were employees of what is commonly known as the

“Hudson’s Bay Company.” These adventurers and their associates continued, sometimes with great opposition, to exercise their rights until the year 1868, when they surrendered most of their rights to the Imperial Government, who, in turn, transferred the land to the Dominion Government, subject to certain conditions, which are not of much importance in this article. The land which was known as Ruperts Land afterwards became the Province of Manitoba and the North-West Territories.

Sovereign Great Priory issued a charter to Albert Edward Preceptory, No. 24, now King Edward Preceptory, No. 24, with headquarters at Winnipeg, Manitoba. This Preceptory had jurisdiction from the Rocky Mountains to the head of the Great Lakes, so that all the Chapter Companions received their orders in Winnipeg, or at emergent meetings held by the Albert Edward Preceptory in different places in their jurisdiction.

A number of Royal Arch Masons, then residing in what is now known as the Province of Alberta, made application to the Albert Edward Preceptory to receive their Knight Templar Orders. Their applica-

tions were duly accepted and the Preceptory decided to hold an emergent meeting to confer the Orders on the applicants. A dispensation was granted to hold this emergent meeting at Calgary, Alberta. The following sets forth briefly what took place:

“At emergent meetings of Albert Edward Preceptory, No. 24, of Winnipeg, Man., held in Calgary, June 15th and 16th, 1894—Present: R. E. Sir Knights W. G. Bell and A. H. Van Ettan, E. Sir Knight T. H. Billman, and Sir Knights Canon J. D. O'Meara, W. G. Scott, R. N. Kirkpatrick, N. J. Lindsay, of Albert Edward Preceptory, No. 24; P. McCarthy, of Plantagenet Encampment, St. Catharines, Ont.; and W. L. Bernard, of First Volunteer Commandery, No. 620, Ireland.

“Ten R. A. Companions of Alberta Chapter, No. 106, G.R.C., who had been balloted for and accepted at a regular meeting of this Preceptory in Winnipeg, received the several degrees of Red Cross, and of the United Religious and Military Orders of the Temple, and of St. John of Jerusalem, Palestine, Rhodes and Malta.

“R. E. Sir Knight W. G. Bell, Provincial

Grand Prior, then issued a dispensation from the Supreme Grand Master authorizing the formation of a Preceptory, and installed the following officers, viz:—

Presiding Preceptor—E. Sir Kt. R. N. Kirkpatrick.

Contable—Sir Kt. N. J. Lindsay.

Marshal—Sir Kt. James Walker.

Chaplain—Sir Kt. E. N. Brown.

Registrar—Sir Kt. Geo. Murdoch.

Treasurer—Sir Kt. Geo. K. Leeson.

Almoner—Sir Kt. A. W. R. Markley.

Sub-Marshal—Sir Kt. J. N. Rankin.

Standard Bearer—St. Kt. Jos. Bannerman.

Sword Bearer—Sir Kt. A. Carson.

Capt. of the Guard—Sir Kt. J. J. Binns.

Sir Kt. H. W. C. Meyer.

Sir Kt. W. L. Bernard.

Sir Kt. P. McCarthy.”

Albert Edward Preceptory very generously donated \$200.00 to the new Preceptory—the balance over expenses of the fees received in Calgary.

The name "Palestine" was chosen for the Preceptory, but at the next conclave of the Great Priory, held in Toronto, September, 1894, exception was taken to the name, there being one of that name on the roll. The dispensation was extended till the conclave held at St. John, N.B., in August, 1895, when a charter was granted with the name of "Cyprus", and numbered 33 on the roll of the Great Priory.

With such outstanding Knights as officers and a number of enthusiastic members. Cyprus Preceptory made great progress. From the earliest days it insisted upon the full uniform of its members. Most of the first officers and early members have passed to the Great Beyond. Some of them are still with us and regularly attend the meetings.

Although Calgary was the headquarters of the Preceptory, its members were scattered throughout the Province. On the 26th of October, 1905, a charter was granted to Edmonton Preceptory, No. 46. The Knights at Medicine Hat were anxious to secure a charter for their Preceptory, and on the 16th of March, 1910, Crusader Preceptory, No. 54, was issued its charter. The Knights at

Lethbridge secured a charter for Acre Preceptory, No. 66, on the 19th of July, 1922.

Although it is less than forty years since Cyprus Preceptory was granted its charter, during that period the members of our organization have exerted a beneficial interest in the life of our young province. Many of our members have attained outstanding success in our civil life, as well as our Masonic life.

Sovereign Great Priory honored Cyprus Preceptory by holding its thirty-ninth convocation at Calgary in the year 1922.

A number of our Knights have served on the Grand Council, and one of our Knights, M.E. Sir Knight A. S. Estey, had the honor of being Supreme Grand Master for two years.

During its existence the Preceptory has held its meeting at various places in the city of Calgary. It now holds its meetings in the beautiful Masonic Temple on Twelfth Avenue West.

The Preceptory has always insisted upon all Orders being put on in full. The Preceptors who guided the affairs of the

Preceptory in former years still take an active part. It is rather refreshing to see from ten to twelve of them on the dias assisting in the work. Although each Preceptor is able to confer all Orders, some specialize in one Order, and some in another. This has a tendency not only to keep the former Preceptors interested in their Preceptory, but also assures that the Orders will be conferred in a very impressive manner.

The past history of this Perceptory warrants one in predicting that the interests of Knight Templarism will be well taken care of by the future members.
